Reference: EXT2025-6654 **Date:** 14 November 2025

Dear Superintendent Dunstan,

Thank you for your letter dated 11 November 2025, concerning the review of my complaint forwarded by the Customer Assistance Unit (CAU).

I note the letter concludes that the investigation was "conducted in a thorough manner" and that the "available evidence supports the allegations and subsequent charge," resulting in the finalisation of this matter (EXT2025-6654).

For my records and for the purposes of independent review, I require immediate clarification regarding the specific investigation assessed. Your outcome letter refers only to "your correspondence" but omits all defining identification details.

Please provide the following information concerning the internal review conducted by your Professional Standards Duty Officer:

1. **Officer Name:** The specific name and rank of the officer whose conduct and investigation were assessed in this review.
2. **Charge Number:** The specific NSW Police Force Charge Number (**H number**) to which the finding "supports the allegations and subsequent charge" refers.
3. **NSWPF Complaint Reference:** The internal reference number (if different from the CAU reference CAS-2356895-X3W5) assigned to this investigation.

The lack of these specific identifiers prevents me from reconciling your findings with the objective court records, which show the malicious prosecution alleged was **DISMISSED NOT GUILTY AFTER HEARING**.

Please provide this administrative detail immediately.

Sincerely,

Anthony Smith [redacted]
